Dear Sir / Mdm,

I'm writing to introduce myself and my company: INDesign Marketing Services.

We are an interior design consultancy. We specialize in providing quality interior design services to architects, commercial projects and businesses throughout Singapore.

You can review our work online at INDesignMarketingServices.com.sg

Our philosophy is to make our client's homes and offices useful and functional, as well as attractive.

Our company understands the principles of structure and simplicity. We apply these principles in our work every day. **I would like an opportunity to show you how we can be of service to your firm.**

We offer:

- Professional interior design services
- Commercial interior design & space planning
- Office Reinstatement Works
- Private residential interior design & space planning
- Creative designer perspective drawing
- 2D Layout Plans and 3D Design Visuals
- Trendy color & unique material proposal
- Paint color selections
- System furniture layout plan
- Customized furniture designs
- Consultant and project management
- Management site inspection
- Authority submissions

Our team produces creative design solutions to meet the challenging needs of each customer.

We provide practical solutions even for the tightest space available.

Best if all… we offer free consultation with no obligation!

Our projects are managed by qualified interior designers, and field professionals to ensure the proper execution of your interior works.

We serve as a "support service" to provide architects with custom design and build services. We also carry a full range of System Furniture for your convenience.

Our prices are very competitive and our service is superior to our competition.

When you retain our services we will serve with great passion and always be there for you!

Please call or email us today for a free initial consultation. We always provide free quotations, without any risk or obligation.

Thank you!

Respectfully,

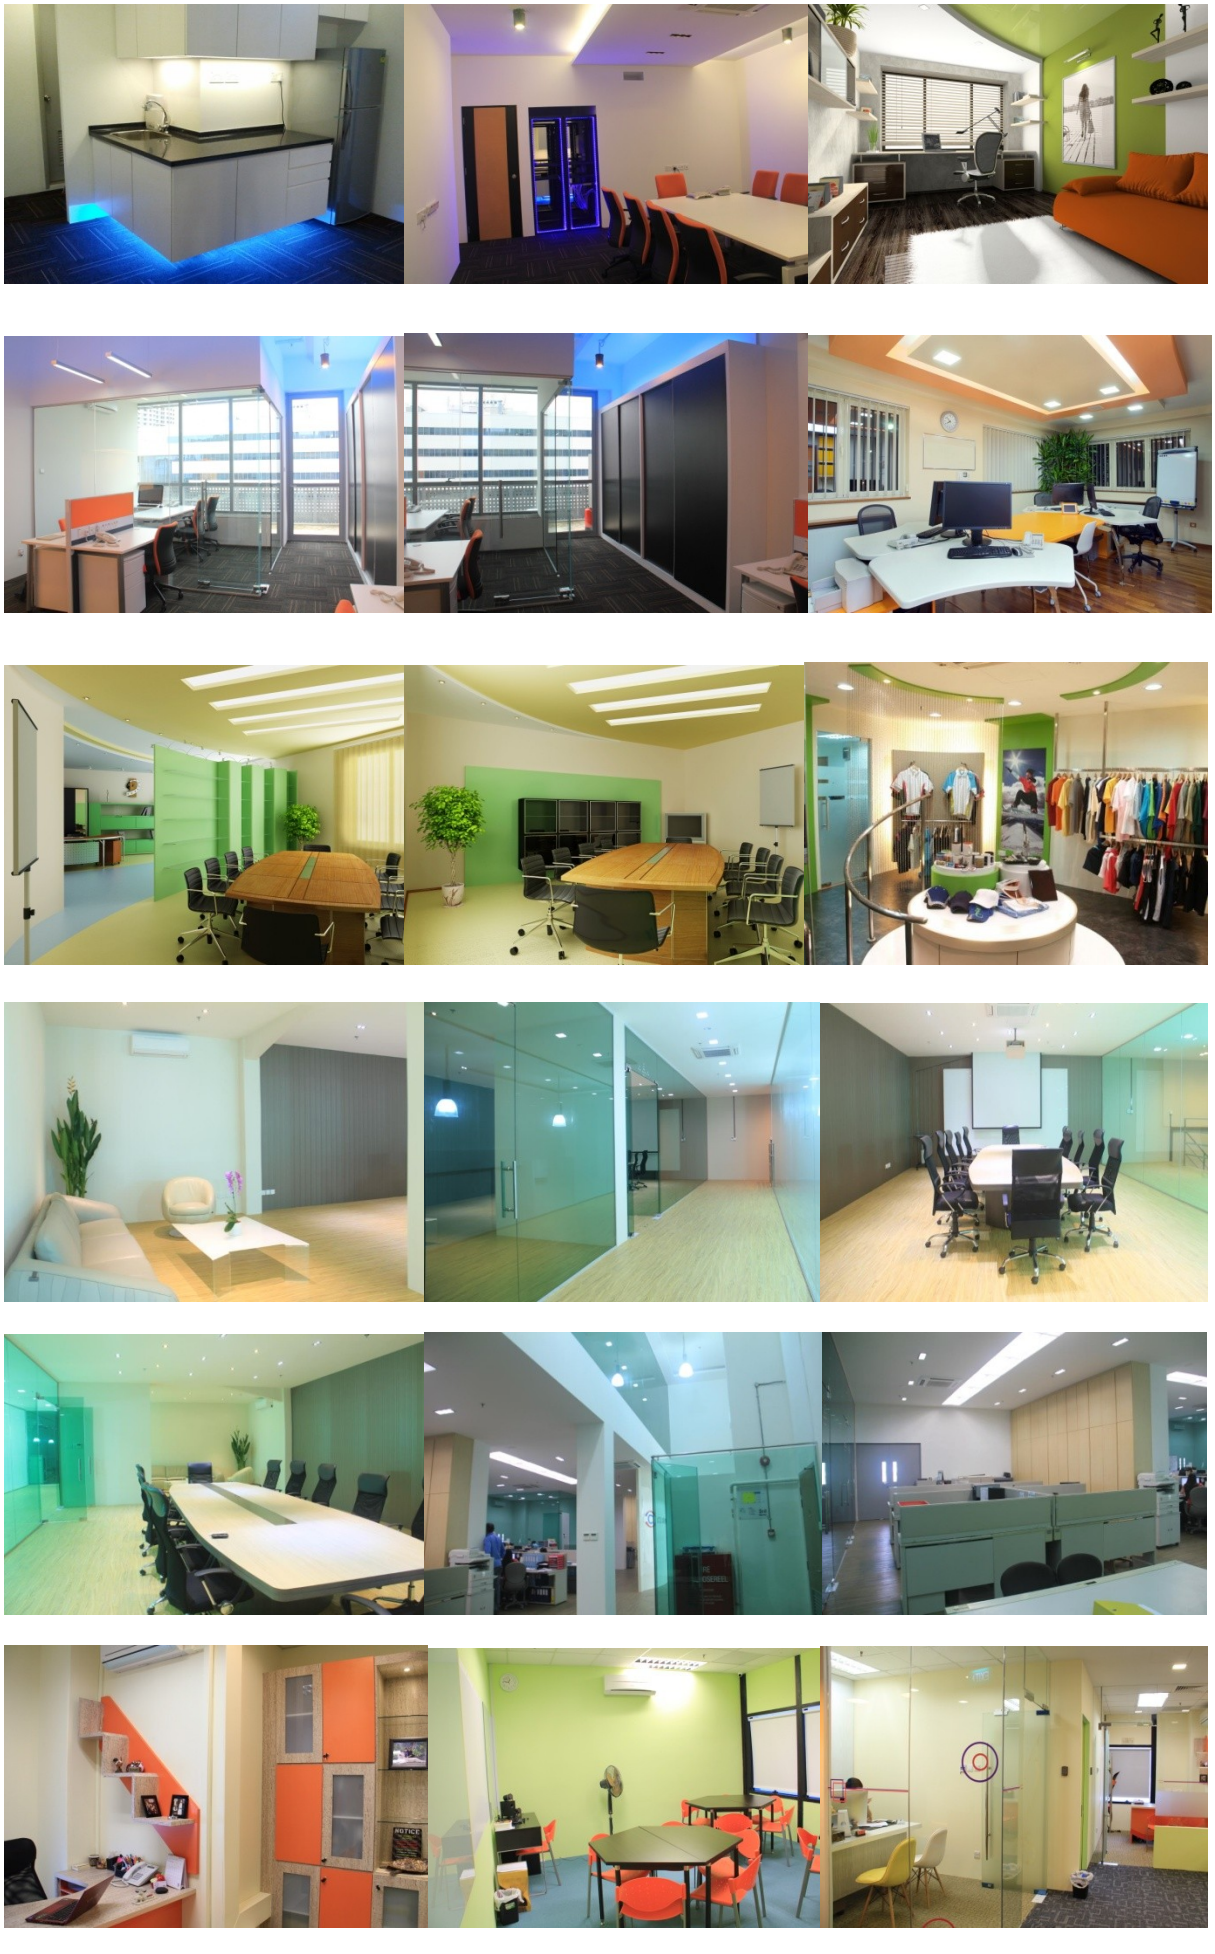

BERNARD HOA
